Teacher Appreciation Week • May 4–8

Teacher Appreciation Week is almost here, and we have a magical lineup planned to celebrate our incredible teachers! Take a look at the schedule on the next page to see how you can join in the fun each day. You can share the love by signing up for something on our [Amazon wishlist](#) or [SignUpGenius](#). We have also included a simple thank-you letter template, because a few kind words can be the most magical gift of all!

Whether it is a note, a treat, or a small gesture of gratitude, every bit of appreciation helps make our teachers feel truly seen and celebrated. Let's work together to make this week enchanting! Now let's make their week truly magical! ✨ ✨

Warmly,
Katie Thorn, Melanie Reeder, Mandy Rodgers

STEM Night

Get ready for a night of hands-on discovery! Hammond Elementary's **STEM Night** is an open-house style event where students and families can explore interactive science, technology, engineering, and math activities together. Visit stations like crater impact experiments, coding bracelets, marshmallow towers, robotics demos, and much more! Don't miss the GT Seminar Gallery, where K–5 students will showcase projects from their gifted and talented seminars. Enjoy a free, family-friendly evening of hands-on STEM fun. All students must be accompanied by a parent or guardian; drop-offs are not permitted.

Date/Time: Thursday, May 14, 6:30pm - 8:00pm
Location: Hammond Elementary School

If you are interested in volunteering for the event, here is the [link](#) to sign up.
